

Raleway is an elegant sans-serif typeface, designed in a single thin weight. It is a display face that features both old style and lining numerals, standard and discretionary ligatures, a pretty complete set of diacritics, as well as a stylistic alternate inspired by more geometric sans-serif typefaces than it's neo-grotesque inspired default character set.

Matt approaches every project with the goal of delivering elegant and deliberate design. He's at his best in the middle of a puzzle that he needs to design his way out of. An alum of Pentagram, Matt is now part of the Township leadership and has his hands in every project. You can also hear him ramble on a podcast every now and then.
